Supply List

You can purchase most of these materials online (links below) or find similar products at your local Hobby Lobby or Michaels. (Professional brands and notes are in parentheses)

When it comes to watercolor, you really get what you pay for!

### Watercolor Materials:

10x14" watercolor paper block, 100% cotton (Arches, Fabriano, Strathmore)

Portable tray of watercolors or whatever you currently work with.  
(Daniel Smith, Windsor and Newton, Schmincke, Old Holland, Da Vinci)

\*\*You also have the option to purchase an 8 color palette made specifically for this class from local world-class watercolor maker L'Ecole Des Beaux Arts - link below

Round watercolor brushes, size 10, 8 and size 4, 2 (Princeton Velvetouch) If you currently work with other kinds of brushes and have a variety to work with, no need to buy more! I just prefer the round Velvetouch.

Mottler brush size 1, or other flat brush (this is a must)

2 small jars with lids for painting water

Paper towels (blue shop towels)

A camera/ phone with a camera. An iPad or tablet could be useful for painting from images taken.

Sketchbook 8x10"

2h pencil with sharpener or mechanical

Regular sharpie

Gum eraser

A pocket color wheel (Great to have around when you're learning color theory!)
