September 22-28, 2024

Hello!

I am excited to have you as part of this unique experience at Ghost Ranch for a weeklong workshop into Printmaking and Bookmaking. My hopes are that you leave, not only with some beautiful one-of-a-kind books in hand with hand printed elements, but also a deeper appreciation for printmaking and nature.

Utilizing the beauty of the surrounding land that will surround us during the weeklong retreat, we will dive into nature and draw from its resources for inspiration so hopefully, you take a bit of Ghost Ranch with you.

I am excited to work with you and get to know you while we make and create!

Warmly,

Alanna Austin
