Hey Family!

I am thrilled to welcome you to the Ghost Ranch Residency 2025! Over the next ten days, you'll have the opportunity to immerse yourselves in the wonderful world of papermaking, fiber arts, and journal creation, guide by me, Chauncey, in a hands-on and creative atmosphere.

This space is yours to dream big, experiment freely, and craft something truly meaningful. We're so excited to be part of your artistic journey and can't wait to see the incredible works you'll bring to life.

Thank you for being here—this is going to be an unforgettable experience!

With joy and anticipation,

Chauncey
