July 13-19, 2025

Howdy!

I am so happy you have chosen to participate in the 2025 July Festival of Arts at Ghost Ranch by enrolling in my class "Quilting Under the Cottonwoods."

So many creative ideas came to mind with that title, that I sure had trouble scaling back for a 5 day class. So here is my plan.

Option #1 would be for you to choose one of simple patterns that will work well with 3 yards (that is 3 one yard pieces) of coordinating fabrics to create a throw sized 50" x 60" quilt. You can easily enlarge the size of your quilt by adding borders with coordinating fabric. This will work well for all skill levels from beginning quilters to more experienced quilters.

Option#2 would be for you to build your own unique Row by Row quilt or simple landscape quilt. You would choose a season (spring, summer, fall or winter) and bring 12 fat quarters of fabrics and choose from the many "Ghost Ranch" themed Quilt Block patterns I will provide. Think about Ghost Ranch and the richness of ideas you could pull from Night Skies, Stars, Mesa's, Cactus, Sagebrush, Dead Wood, Skulls, Rocks, Birds, Leaves, Fences, Buckets, Trees, Flowers, Adobe Houses, Horses, Critters, Sunsets, Rainbows and more.

Option #3 would be for you would be choose to make a table runner or placemats or a table topper by choosing the blocks you want to make. Again you would choose your season and then bring 12 fat quarters to work from to create your project.

I plan on bringing oodles of additional fabrics to add to what you bring so you will have an abundance of fabric choices to work from.

My hope and plan for this year is to scale back the size of the project in order to provide time for you to learn to do some machine quilting on your quilt.

I will provide a separate more detailed list of things to bring on the "Supply List".

Here's to safe travels and happy gathering for your 2025 Quilting Under the Cottonwoods" Adventure.

Please call or email me if you have additional questions and again thank you for enrolling in my class.

Be Blessed,

Rogene "Ronnie" Ashford
