June 29-July 4 2025

I'm grateful that you're considering a week of fellowship at Ghost Ranch—enriched by a deep dive into one of Lewis' most loved works, Mere Christianity.

Our daily schedule is both simple and enriching: we gather each day from 9:00 to 11:30 to explore and discuss the most notable gems embedded in Lewis' work.

Lunch follows our morning sessions—and the rest of the day is free for hiking, swimming, horseback-riding, and countless other options in the high-mesa beauty that surrounds us.

Please bring:

-Your Bible

-Your own copy of CS Lewis' Mere Christianity. (I'm using the Harper edition (with birds on the front cover), although you're welcome to bring any edition you may have.

-A journal for keeping notes and adding reflections

I look forward to meeting you at the Ranch and sharing a week of life together!

See you soon!

Jim
