September 21-27, 2025

Welcome!

I am writing to thank you for registering for my Drawing from Nature: Autumn Leaves workshop at Ghost Ranch, Sunday-Saturday, September 21-27, 2025.

When you arrive on Sunday, you will check in at the Welcome Center after 3:00 pm. There you will receive information, including a map, your room assignment and door code, the location of our classroom, and more.

After dinner in the Dining Hall on Sunday, there will likely be a brief orientation session for all participants in the week's workshops. Afterwards, I will greet you and share details of our week.

Please be sure to obtain the art supplies on the Materials List for this course (from the website link). Feel free to email me if you have a question about something on this list.

Also, be sure to bring these Ghost Ranch essentials:
- water bottle
- sun hat
- sturdy shoes (for walking on uneven ground)
- sunglasses
- sunscreen
- insect repellent
- rain jacket (in case)
- small day pack (handy)

I look forward to this fall week, working with you!

Helen
