

Welcome

Adult Service Corps

G25070210

with Martha Murchison and Art Myers
July 13-19, 2025

Dear Service Corps,

We are so excited that you have registered for Adult Service Corps in July! Service Corps offers us an opportunity to help Ghost Ranch with our labor and work, and it offers a wonderful time for camaraderie and fun. Our work is often laced with laughter and good stories. If this is your first time on the Corps, know that you have a great week or weeks ahead of you – and for the old friends who are returning, it will be marvelous to see you all! Service Corps members volunteer a total of 22 hours of work to the ranch in exchange for reduced room and board.

As in the summer, Art will work with large projects and Martha will work with the general projects. We don't have work lists to share with you. Part of the joy of Service Corps is the unexpected - but we could be working indoors or outdoors. Please let us know if you have a physical condition which prevents you from doing some tasks. We want everyone to be safe and take of themselves.

Please bring work clothes, work gloves or gardening gloves, closed toe shoes for work in the shop, clothes you could paint in, sunscreen, and a water bottle. Please also bring your stories and laughter to share with us. We are excited to meet our new participants and to see old friends. We look forward to seeing you this summer. If you have any questions about Adult Service Corps, please feel free to email us. If you have questions about lodging, please be in touch with registration at Ghost Ranch.

We look forward to seeing this summer!

Links for travel to ranch:

We rely on **White Buffalo Shuttle** for our guests. Kevin Spitzer picks up at the Sage Inn in Santa Fe the afternoon of the first date listed, and returns to the Sage Inn the morning of the last date. His phone number is 831.359.8077. Email is nivek@cruzio.com.

The best way to get to Santa Fe is **Groome Transportation**. They are very helpful in assessing your flight info and getting you on the right shuttle.

Schedule:

Adult Service Corps begins the morning with a brief meeting at 9 am. We usually work at our varied tasks until lunch at noon. Often, we work a few hours in the afternoon, but tasks may be in the evening. There is room for flexibility with the schedule during the week. Each participant will be asked to fill out a weekly worklog.
