July 6-12, 2025

Hello!

Thank you so much for signing up for this Festival of Arts stained glass class! Whether you're looking to create another handmade memento or are a beginner curious about stained glass, I'm confident you'll have a wonderful time in class and at the ranch.

Please remember that you will be working with a few chemicals and also lead; I recommend wearing very comfy clothes that you don't mind getting potentially a little dirty—long sleeves are a good idea! Shoes good for standing awhile in are important as well. And, everyone needs a waterbottle!

I'm really looking forward to seeing you all in July! If you have any questions or need any more information before then, don't hesitate to reach out.
